PROFESSIONAL SUMMARY

AI adoption and enablement leader with 10+ years of experience across marketing technology, go-to-market strategy, and digital transformation. Leads AI enablement across IBM Consulting, delivering hands-on training for hundreds of practitioners and partnering with OpenAI, Anthropic, Google, Microsoft, and Amazon to operationalize emerging capabilities. Builds AI platforms, agents, and dashboards that turn ambiguity into adopted, measurable outcomes. Passionate about making emerging technology approachable, practical, and impactful.

CORE COMPETENCIES

AI Adoption & Enablement | Change Management | Training & Workshop Design | AI Solution Architecture
Go-to-Market Strategy | Account-Based Marketing | Partner Enablement | Executive Communications
Marketing Automation | Analytics & BI Dashboards | HubSpot CMS & CRM | Power BI

PROFESSIONAL EXPERIENCE

IBM

AI Adoption and Enablement Leader, Americas | Detroit, MI | May 2026 – Present

- Lead AI enablement and adoption across IBM Consulting, translating emerging AI capabilities into practical, adopted outcomes
- Design and deliver scalable training, assets, and forums, including hands-on workshops for hundreds of practitioners
- Partner with OpenAI, Anthropic, Google, Microsoft, Amazon, and Arize to master their technologies and distribute specialized training
- Support billable engagements with demos and solutioning while driving long-term adoption, governance, and impact
- Develop applications, agents, and tools that accelerate sales, delivery, and AI adoption

Key Achievement: Designed and developed storylinEA, an AI platform that automates personalized demos and trainings for IBM's Enterprise Advantage platform, generating thousands of use cases for the GTM process across IBM Consulting globally.

ABM Solutions Leader, Oracle Americas | Detroit, MI | Oct 2025 – May 2026

- Owned multi-workstream go-to-market initiatives at the intersection of AI, consulting, and enterprise platforms
- Designed and launched ABM programs, industry POVs, and campaign-in-a-box models that accelerated time-to-market
- Architected AI-enabled assistants to operationalize marketing, sales enablement, content, and program management

Key Achievement: Built repeatable frameworks, governance models, and execution paths for high-visibility initiatives with no existing blueprint.

Accelalpha, an IBM Company

Director of Marketing | Remote | Apr 2024 – Oct 2025

- Built scalable processes for managing multi-department social media and internal communications
- Led change communications during IBM acquisition, including content strategy and rollout
- Developed Power BI dashboards and automation workflows to unify siloed data across teams
- Trained internal teams on analytics and AI tools to improve data literacy

Key Achievement: Created AI-powered BI dashboards that improved transparency across Marketing, Sales, HR, Implementation, and Operations.

Ellis Porter - The Immigration Attorneys
Director of Content & Marketing | Troy, MI | Apr 2021 – Apr 2024

- Launched EP Studio for full-scale in-house content production (video, photo, podcast)
- Directed events ranging from meetups to 300+ person conferences
- Managed full HubSpot migration across Marketing, Sales, Service, and CMS
- Developed paid media strategies across Google Ads and LinkedIn

Key Achievement: Built an ad pipeline with 1,400% ROAS in year one and 1,000%+ in each year after.

Aysling / MagHub
Marketing Director | Ann Arbor, MI | Jan 2018 – Apr 2021

- Managed brand strategy for multiple B2B and B2C products across software and CPG
- Led HubSpot Solutions Partner launch, reaching Gold Tier in one month
- Oversaw full-funnel campaigns, PR, events, and digital strategy

Key Achievement: Launched multiple SaaS and CPG products with full brand and go-to-market plans.

Ingenex Digital Marketing
Inbound Marketing Account Manager | Ann Arbor, MI | Apr 2017 – Jan 2018

- Led campaign execution, audience segmentation, and reporting for multiple clients
- Collaborated across dev, design, and paid media teams to drive qualified leads

Key Achievement: Enabled franchise-based HubSpot rollout for scalable, turnkey marketing systems.

CDK Global
Account Advocate | Greater Detroit, MI | May 2016 – Apr 2017

- Managed digital strategy for $1M+ annual ad spend across GM, Lexus, and Infiniti dealerships
- Consulted on UI/UX improvements to optimize dealer websites and lead flow

Key Achievement: Promoted to manage Extra Large Volume Dealerships within six months.
